Personal Info

A talented graphic designer with wide-ranging experience and a recognized ability to solve both technical and design challenges. Be responsible for the efficient delivery of comprehensive design programs and advertising platforms. Experienced in a variety of mediums, including print, web, signage, and social.

Experience

Graphic Designer

April 2016 – Dec 2017

Brand Aid Advertising

- specializing in print and social media creative. I create visually engaging designs that communicate brand messages effectively across different platforms.

Graphic Designer

2016 – 2019

Talentemple Advertising LLP

- In my second company, I focused on branding, hoarding design, and designing social media posts and logos. I helped create strong brand identities and impactful visuals across platforms.

Sr. Graphic Designer

Dec 2019 - Aug 2021

Bombsquad Digital Solution

- I designed social media creatives for multiple clients and worked on newspaper ads and branding for new businesses.

Assistant Manager Graphic Designer

Aug 2021 - Till date

lokmat Media Pvt. Ltd.

- I contribute to the visual identity and creative output for a variety of projects, with a key focus on our women-centric brand, Lokmat Sakhi. I am responsible for managing and designing daily assets such as thumbnails, article images, and creative visuals. Additionally, I oversee the development of award-related collaterals and collaborate closely with the Marketing Team to produce impactful presentations and other marketing materials.
- I also play an active role in designing logos, standees, and video visuals, as well as assisting the motion designer with video-related graphics and editing tasks. My diverse skill set enables me to contribute to a wide range of design needs across various platforms, ensuring consistency and creativity in every project.
